Re: Petitions of the Verizon Telephone Companies for Forbearance Pursuant to 47 U.S.C. § 160(c) in the Boston, New York, Philadelphia, Pittsburgh, Providence and Virginia Beach Metropolitan Statistical Areas, WC Docket No. 06-172

On a May 25, 2007 conference call, Wireline Competition Bureau Staff requested that Verizon provide confirmation and/or clarification relating to information provided in certain exhibits to the Lew/Wimsatt/Garzillo Reply Declaration filed on April 18, 2007 in the above-referenced proceeding. Verizon's June 13, 2007 response¹ did not include retail and wholesale special access and private lines served over facilities from the former MCI; Verizon Business does not maintain data for these facilities by wire center or MSA in the ordinary course of business. The attached exhibit provides these data for the former MCI facilities based on a special study of April 2007 data. Data are provided in voice-grade equivalents.

¹ See Letter from Joseph Jackson, Verizon, to Marlene H. Dortch, FCC, WC Docket No. 06-172 (June 13, 2007).
